Health Tools

Stay connected to your health and get the answers you need when you need them by using Health Tools 24 hours a day, 365 days a year. Go to www.fepblue.org or call 888-258-3432 toll-free to check out these valuable easy-to-use services:

- Talk directly with a **Registered Nurse** any time of the day or night via phone, secure email, or live chat. Ask questions and get medical advice. Please keep in mind that benefits for any healthcare services you may seek after using Health Tools are subject to the terms of your coverage under this Plan.
- **Personal Health Record** – Access your secure online personal health record for information such as the medications you’re taking, recent test results, and medical appointments. Update, store, and track health-related information at any time.
- **Blue Health Assessment** – An online health and lifestyle questionnaire (see below).
- **Daily Habits** – Manage your health proactively by setting and managing health goals, create a plan of care, track your progress, and pursue healthy activities. Daily Habits offers members a combination of guidance, support, and resources.
- **Health Topics and WebMD Videos** offer an extensive variety of educational tools using videos, recorded messages, and colorful online materials that provide up-to-date information about a wide range of health-related topics.
