

Urgent care claims

2025 Blue Cross and Blue Shield Service Benefit Plan - FEP Blue Focus

Section 3. How You Get Care

How to request precertification for an admission or get prior approval for *Other services*: Urgent care claims

- **Urgent care claims**

If you have an **urgent care claim** (i.e., when waiting for your medical care or treatment could seriously jeopardize your life, health, or ability to regain maximum function, or in the opinion of a physician with knowledge of your medical condition, would subject you to severe pain that cannot be adequately managed without this care or treatment), we will expedite our review of the claim and notify you of our decision within 72 hours as long as we receive sufficient information to complete the review. (For concurrent care claims that are also urgent care claims, please see *If your treatment needs to be extended* later in this section.) If you request that we review your claim as an urgent care claim, we will review the documentation you provide and decide whether or not it is an urgent care claim by applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine.

If you fail to provide sufficient information, we will contact you within 24 hours after we receive the claim to let you know what information we need to complete our review of the claim. You will then have up to 48 hours to provide the required information. We will make our decision on the claim within 48 hours of (1) the time we received the additional information or (2) the end of the time frame, whichever is earlier.

We may provide our decision orally within these time frames, but we will follow up with written or electronic notification within three days of oral notification.

You may request that your urgent care claim on appeal be reviewed simultaneously by us and OPM. Please let us know that you would like a simultaneous review of your urgent care claim by OPM either in writing at the time you appeal our initial decision, or by calling us at the phone number listed on the back of your ID card. You may also call OPM's FEHB 1 at (202) 606-0727 between 8 a.m. and 5 p.m. Eastern Time (excluding holidays) to ask for the simultaneous review. We will cooperate with OPM so they can quickly review your claim on appeal. In addition, if you did not indicate that your claim was a claim for urgent care, call us at the phone number listed on the back of your ID card. If it is determined that your claim is an urgent care claim, we will expedite our review (if we have not yet responded to your claim).
